## Subject: Request for Visit to Dorabjee Mall

Dear Sir/Madam,

I am writing to formally request permission for a visit to Dorabjee Mall on behalf of the Dnyansagar Institute of Management & Research (DIMR). Our marketing subject teacher, Dr Manisha Jagtap and students are keen to explore the facilities and operations of Dorabjee Mall for educational purposes. We believe that witnessing firsthand the management and customer service strategies employed by Dorabjee Mall would greatly benefit our students.

We are particularly interested in understanding how Dorabjee Mall caters to the needs and preferences of its diverse clientele, as well as the innovative approaches it adopts in retail management and marketing.

We assure you that our visit will be conducted with the utmost respect for your premises and any guidelines you may have in place. We are willing to adhere to any security protocols or restrictions necessary to ensure a smooth and productive visit.

We would like to request a visit on the 15<sup>th</sup> of June at 11.00 am. However, we are flexible and open to scheduling alternatives that align with your availability.

Thank you for considering our request. We eagerly anticipate the opportunity to visit Dorabjee's Mall and learn from its exemplary practices.

Looking forward to your positive response.

Sincerely,

Dr. Sajid Alvi  
Director

## Subject: Request for Visit to Subway Outlet

Dear Sir/Madam,

I am writing to formally request permission for a visit to the Subway outlet located within Dorabjee Mall on behalf of the Dnyansagar Institute of Management & Research (DIMR). Our marketing subject teacher and students are eager to gain insights into the operations and customer service strategies of Subway for educational purposes.

We believe that observing firsthand the operations of Subway would provide invaluable learning experiences for our students, particularly in understanding the dynamics of fast-food retailing, customer engagement, and brand management.

Our visit will be conducted with the utmost respect for your establishment and any guidelines you may have in place. We are willing to adhere to any security protocols or restrictions necessary to ensure a smooth and productive visit.

We would like to request a visit on the 15th of June at 12.30 pm. However, we are flexible and open to scheduling alternatives that align with your availability.

Thank you for considering our request. We are eager for the opportunity to visit the Subway outlet and gain valuable insights from your operations.

Looking forward to your positive response.

**Subject:** Request for a small visit & interaction of MBA Students of DIMR-Balewadi at The TechMahindra Foundation

Dear Kalpana Ma'am ,

Greetings ! On behalf of SKP's Dnyansagar Institute of Management & Research (DIMR)-Pune

We are pleased to introduce DIMR as one of the renowned institutions in Pune, engaged in imparting quality education post graduate & undergraduate programmes B.C.A./B.B.A./B.Com./ M.B.A. in Balewadi Baner, Pune. It is approved by AICTE, New Delhi and affiliated to Savitribai Phule Pune University. From this academic year 2023-24, DIMR has also launched MBA Prime Course which is offered with a stronger professional & international exposure through International Business Exposure Program- IBEP(Dubai) in collaboration with Thames University in France. There are a variety of dual specialisations options from several domains like HR , Business Analytics , Operations, Marketing & Finance.

Our academic curriculum focuses on engaging students in practical experiences to observe the implementation of what they are taught in syllabus. We are happy to share that TechMahindra Foundation is being actively discussed in our Case Study Sessions as one of the successful implementers of CSR and sustainability, creating a positive impact on the society. It would be a favor and delight to know more about the **TechMahindra Foundation** which has been very active into Corporate Social Responsibility since its inception till date. May we request for a visit any time in this month of **June 2023**.

We look forward to an early and favorable response.

Thanks & Regards,

## Field Visit 2022-23

**Name of Activity:** Field Visit

**Day & Date:** Thursday, 15<sup>th</sup> June'2023

**Venue:** Dorabjee's & Subway, Balewadi High Street.

**Total Students:-** 62

### Objective:

- To contextualize theoretical concepts in practical industrial settings.
- To observe and analyze industrial processes, technologies, and operations.
- To understand the application of management principles in real-world scenarios.
- To interact with industry professionals and gain insights into career opportunities.
- To foster a deeper appreciation for the interdisciplinary nature of learning.

### Introduction:

In the realm of education, the dichotomy between theory and practice has long been a subject of discourse. Theoretical knowledge, garnered within the confines of classrooms, often lacks the experiential depth that practical application provides. Industrial visits stand as a vital conduit between these two realms, offering students a tangible understanding of theoretical concepts in real-world settings.

### Overview:

The Field visit took place at Dorabjee's & Subway, Balewadi High Street, a renowned player in industry sector. Students were provided with a comprehensive tour of the facility, encompassing various departments and operational units. Throughout the visit, they had the opportunity to witness firsthand the application of theoretical knowledge in diverse aspects of industrial operations, ranging from production processes to quality control measures. Additionally, interactive sessions with industry experts facilitated meaningful discussions and exchange of ideas.

The visit not only offered insights into the technical facets of industrial operations but also shed light on the importance of soft skills such as teamwork, communication, and problem-solving in a professional setting. Furthermore, students were able to grasp the significance of sustainability practices and ethical considerations in contemporary industries.

**Learning Outcome:**

Field visits serve as invaluable supplements to traditional classroom learning, enabling students to bridge the gap between theory and practice. Through this visit to Dorabjee's & Subway, students gained invaluable insights into the practical applications of their theoretical knowledge.

**Overview:**

The industrial visit commenced with a visit to Baramati Hi Tech Textile Park Ltd. Students were given an overview of the textile park and its facilities. They gained insights into the various stages of textile production, including spinning, weaving, dyeing, and finishing.

Students had the opportunity to interact with industry experts Mr. Anil Wagh, Project Manager who shared their experiences and provided valuable insights into the textile industry. The experts addressed queries related to textile industry, textile park establishment, objectives of the park, company affiliations, market opportunities & challenges and market trends.

The visit to Cottonking Pvt Ltd provided students with an understanding of the company's operations and product portfolio. The company specializes in men's clothing and is known for its quality products.

Students witnessed the various stages involved in manufacturing men's clothing, including fabric sourcing, cutting, stitching, and quality control. The company representatives explained the importance of maintaining quality standards throughout the production process. Students received an introduction to Pappermint Clothing Pvt. Ltd., a prominent clothing manufacturer known for its women's fashion wear. The company showcased its diverse product range and explained its brand positioning.

The students were given insights into the production workflow, from design conceptualization to sample creation, production planning, and distribution. The company representatives emphasized the significance of innovation and market research in the fashion industry.

**Learning Outcome:**

The visit provided practical exposure to the textile and clothing industry, enabling students to connect classroom learning with real-world applications. The interaction with industry experts, the factory tours, and the insights gained into manufacturing processes and management practices enhanced the students' knowledge and decision-making abilities in the context of the textile industry.
