In times like these, it becomes crucial for us to come together as a community and extend our support to those in need.

We are initiating a Sangli Kolhapur Flood Relief Donation Drive to assist the affected families in their recovery efforts. Your generous contributions can make a significant difference in providing relief and aid to those who have been affected by this natural calamity.

This is an opportunity for our DIMR community to show solidarity and empathy towards those facing adversity. Every contribution, big or small, can make a positive impact on the lives of those affected.

The DIMR will provide regular updates on the progress of the relief efforts and the utilization of funds to ensure transparency.

Let us stand together and make a difference in the lives of our fellow citizens during this challenging time. Thank you for your compassion and generosity.

We are also looking for volunteers to assist in the collection, sorting, and distribution of relief materials. If you are interested, please contact Mr. Mangesh Tak: 9011908796 and Mr. Vishnu Lakkad: 8007985054

Event Description:

The fervor of Christmas is incomplete without the joy of giving, sharing and caring for the unprivileged. The staff & students of DIMR proved it otherwise & thought that this celebration should not be a sole privilege of the fortunate ones. We celebrated this Christmas with the kids of 'Saraswati Anath Shikshan Ashram' and the smile on their faces was priceless.

Our students decorated the place and played the different games with them. The Christmas gifts were shared with them along with Santa clause cap, worked wonders for those unadulterated souls, leaving their faces glow with happiness and the eyes sparkle with innocence.

The feeling of being in their small world, spending time with them, and seeing them happy and joyful was really overwhelming. We expressed our gratitude to the caretakers for taking care of these beautiful souls and for giving us this opportunity to spend some time with them.

Learning Outcome:

- The students understood the hard facts of life and problems of a variety of sections of people at close quarters.
- The students gained the first-hand experience of running asharam who is sheltering orphanage children.
- Sense of responsibility and appreciation for the orphanage children are inculcated among the students.

- To provide companionship, emotional support, therapeutic occupation, and recreational facilities, and activities to these children.
- To sensitize students to the difficulties and problems of differently abled children and to become aware of the joy of serving and being with these children

Event Description:

'Diwali' is a festival of light, happiness & prosperity. Is it the only prerogative of those who are blessed with the physical, human resources & could savour best of the things in presence of the loved ones? The staff & students of DIMR proved it otherwise & thought that this celebration should not be a sole privilege of the fortunate ones. We celebrated this Diwali with the orphaned, abandoned special & differently abled children of 'Aniket Sevabhavi Sanstha's', 'Om Shri Sai Residential Rehabilitation Centre for differently abled boys & girls', Bavdhan.

Our students decorated the place with rangoli, Diwali lanterns & balloons followed by a prayer to bring light & hope in everyone's life. The boys & girls of a wide age group of 4 to 42 left no stone unturned to match the dance steps on some groovy numbers with the students of DIMR. A girl who won a volleyball bronze medal at Special Olympics World Summer Games 2019 at Abudhabi & two boys who won gold & a silver medal in the State-Level Table Tennis competition at Mumbai shared their experiences with sheer confidence which was enough to inspire our students to aspire & do more with the given abilities. The children were ebullient while playing the games organised by our students. Some showcased their talent with the stellar performances.

The Diwali snacks and gifts shared with them along with some fireworks, worked wonders for those unadulterated souls, leaving their faces glow with happiness and the eyes sparkle with innocence. We all bought & pledged to light-up the beautiful 'Diyas' & 'Candles' made by these children, at our homes this Diwali. We left the premise reluctantly with positive energy & vibes, making many special friends & applauding the unabating spirit of Ms. Kalpana Warpe & her team for their relentless efforts and compassionate nurturing of these pure souls. We left...but with an unuttered promise to visit again.

The smiles on their faces were infectious, they were teeming with energy and enthusiasm and their implicit and unblemished innocence captivated every single person present in the campus.

The day, Saturday, 5th March 2022 was very special and remarkable in the memory books of DIMR. The Differently abled children and the Founder of Aniket Sevabhavi Sanstha, Ms. Kalpana Varpe were invited by the institute for a special program 'My Special Life Journey' to mark the celebration of Women's Week being celebrated in the institute with different activities and events.

The arrival of the Special Guests was made very special by our students and staff with a warm welcome by clapping for them, offering some scrumptious snacks, roses and a gift to each differently abled child and they were exhilarating with extreme happiness.

The Director of DIMR, Dr. Sajid Alvi felicitated the Founder of Aniket Sevabhavi Sanstha, Ms. Kalpana Varpe with a sapling and a memento on the occasion. Ms. Kalpana Varpe shared her journey about how she rose up to the situation of being estranged after giving birth to a differently abled child. She narrated her arduous struggle against all odds and her inspiring plight of overcoming many stumbling blocks. She answered questions from DIMR students about what keeps her going on, what challenges her organization faces while providing refuge, rehabilitation and education to 55 differently abled.

Ms. Kalpana Varpe's discourse left everyone heavy hearted and numb eyed, but soon after that again to enliven the atmosphere the ever vivacious and effervescent differently abled children of Aniket Sevabhavi Sanstha took up the stage to cheer up the crowd with their mesmerising dance performances on 'Ganesh Vandana', 'Betiyan' and 'Taare Zameen Par' songs. This was enough to transfix the students and staff of DIMR in awe of the overflowing energy, cheerfulness of the children embedded with pure innocence.

These differently abled children took everyone else on the stage and made them tap their foot in tune with them on various dance numbers. After these performances all children were taken to the sports ground, where they had fun with the students of DIMR playing cricket and other games, posing vividly for the photographs, singing songs, reciting poems and sharing stories.

In today's world when families are becoming nuclear and most of us tend to be confined to our small social set-up, there are still many out there, living in solitude, in spite of being surrounded by people. But 'How can the stars shine without darkness?' Like a blessing in disguise there are some generous people around, who believes in the virtue of almsgiving, and 'Apala Ghar Orphanage & Old Age Home' is one of them, who are not only working hard to nurture the kids but also helping them out in building skills & capabilities so as to make them independent, responsible & employable. We at DIMR are always veracious to the values we speak. As a part of our annual campaign 'Joy of Giving' we tried to extend some support to this noble cause in the form of Story books, Encyclopedia, games & toys. The hope & stars in their eyes only invigorated us to do more.

The feeling of being in their small world, spending time with them, and seeing them happy and joyful was really overwhelming. DIMR students expressed their gratitude to the caretakers for taking care of these beautiful souls and for giving us this opportunity to spend some time with them.

Learning Outcome:

- The students were sensitized towards the life and the needs of orphanage kids.
- Students learnt important Lesson about "small contributions helps a lot" by engaging them in donation collection activities and utilizing in some socially benefit activities.

• Engagement of students in learning and socially connecting activities

Objectives of the Event:

- To increase the awareness on blood donation by providing scientific knowledge as well as removing myths and wrong concepts about it.
- To instil the feeling of helping others to breathe life with their precious donation

Event Description:

It's an irony that when you need it for you & your dear ones, it's a commodity; but when you are asked to give it to others, it's not! Every two seconds someone somewhere needs it and many lives are lost every year due to its non-availability. But it cannot be manufactured in any factory. It has to be donated voluntarily by the compassionate people. If donated by a person it can save three lives.

We at DIMR always being munificent and mainspring towards such social cause, know the value of 'Blood'. DIMR organised a 'Blood Donation Camp' for Pimpri Serological Institute Blood Bank to mark Dr. Babasaheb Ambedkar Birth Anniversary. Students, staff and many other volunteered in this noble cause

With the thought "Every blood donor is a life saver", the staff and students were motivated to donate blood. There's no end to the benefits of donating blood for those who need it as well as there are health benefits for donors, too. One donation can save as many as three lives.

Faculty members guided the students about the importance of blood donation and motivated them to take part in this camp. The staff and students of DIMR donated blood in the 'Blood Donation Camp'. The students and staff voluntarily participated in the blood donation drive.

Learning Outcome:

- Instilled the sense of responsibility towards the society among the students
- The students understood importance and benefits of blood donation.

- To increase the awareness on blood donation by providing scientific knowledge as well as removing myths and wrong concepts about it.
- To instil the feeling of helping others to breathe life with their precious donation

Event Description:

What you give is ought to come back, but to be the one who is always willing to give, you have to be kind, generous & compassionate!

If the parents of a 2.5 Year old brain dead boy from Gujrat can show the propensity to donate the organs of their beloved child, saving seven lives, then imagine what a healthy person could do in lifetime. What needed is to have a big heart, a conscience to understand that you owe something to everyone & everything around and a feeling of moral obligation!!!

Blood Donation Camp organized by DIMR received an encouraging response amid testing times of pandemic and witnessed over 50 donors in students, staff and other volunteers.

Learning Outcome:

- Instilled the sense of responsibility towards the society among the students
- The students understood importance and benefits of blood donation.

Enthusiasm of DIMR for Har Ghar Tiranga Campaign

Objectives of the Event:

- The event aimed to make people proud of their country by encouraging each home to display the national flag, fostering a sense of unity and patriotism.
- "Har Ghar Tiranga" aimed to strengthen people's connection to their country's values and history by encouraging them to proudly put up the national flag at their homes.

Event Description:

Har Ghar Tiranga ' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

In order to become a part of the campaign, DIMR conducted an event on the 'Har Ghar Tiranga' Campaign. Under thus, volunteers were asked to take a photo with Tiranga.

Learning Outcome:

- Students felt more proud and united as a nation by putting up the national flag, creating a stronger bond with their country's values and identity.
- The event encouraged students in building a strong national identity by fostering a grassroots understanding of the country's history and values.
