And this is the pain-point where I discovered how rewarding it can be to mentor and guide ambitious young minds.

Since early 2012 I have taken upon myself to train, coach, educate and mentor students in the facets of Finance, a goal that has seen me mentor not only senior students but even seasoned professionals.

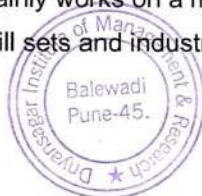

Given today's diversified job markets and the dynamic culture of the BFSI industry, strong fundamentals and an open mind that is ready to adapt can be phenomenal tools for success and I am driven to find better methods to help people develop these tools.

## Summary

Carrying a passion for Leadership, Formal Education, Content, and Knowledge sharing, I am creating my story!

Throughout my career, I have embraced various formats to deliver education; however, the skill gap was left unchecked by our institutional education for years.

To fill in that gap, I and my partner were driven to create the Magic Institute of Excellence. A company dedicated to fundamentally re-wire the learning psychology of students enrolled in UG and PG programs in Tech and Business Management.

I have over 10+ years of experience in Analytics-driven Marketing, Strategy & Execution. Merging branding and psychology with statistical discipline is my arsenal. Holding the hand of this experience, I have completed four years with the Magic Institute of Excellence.
