Objectives:

- To introduce students to the basics of stock market trading.
- To explain the concept and mechanics of option delta hedging.
- To differentiate between delta hedging, technical trading, and investing.
- To provide insights into Option Greeks and their real-time impact on trading.
- To discuss various delta neutral methodologies and option strategies using Nifty and Bank Nifty.

Event Description:

DIMR hosted an engaging and informative guest lecture by Ms. Falguni Vahora, Director of BlissQuants Analytics, on the "Option Delta Hedging Awareness Program." The session was designed to provide students with a deep understanding of stock market trading and the nuances of option delta hedging.

Ms. Vahora began the lecture by explaining the basics of stock market trading, laying a strong foundation for the more complex topics to follow. She then introduced the concept of option delta hedging, detailing how it differs from technical trading and traditional investing. This provided a clear distinction between various trading strategies and highlighted the unique aspects of delta hedging.

Key areas covered during the session included:

Option Greeks: Detailed explanation of Delta, Theta, Vega, Gamma, and Implied Volatility, and their significance in option trading.

Market Strategies: Discussion on volatile market conditions and the use of long gamma and short gamma strategies for effective trading.

Gamma Management: Techniques for managing gamma risk and maintaining a balanced portfolio.

Delta Neutral Methodologies: Exploration of strategies to achieve a delta neutral position, minimizing market risk.

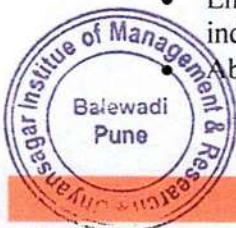

Real-Time Strategies: Practical demonstration of option strategies using Nifty and Bank Nifty, providing real-world application of the theoretical concepts.

Ms. Vahora also discussed the benefits of option delta hedging, emphasizing its role in managing risk and enhancing returns. She provided valuable guidance for students interested in pursuing a career as a delta hedger, highlighting the skills and knowledge required in this specialized field.

Key Learning Outcomes:

- Students gained a thorough understanding of stock market basics and option delta hedging concepts.
- Improved knowledge of Option Greeks and their real-time application in trading strategies.
- Practical insights into managing market volatility and executing delta neutral strategies.
- Enhanced awareness of career opportunities in delta hedging and the financial trading industry.

Ability to apply theoretical knowledge to real-world scenarios using options.

- To prepare students for making informed investment decisions and managing portfolios effectively.

Event Description:

DIMR hosted an insightful Investor Awareness Program briefing by Mr. Sudhakar Kulkarni on 2nd September 2019. Mr. Kulkarni, with his extensive banking experience of over 24 years and more than a decade as a visiting faculty member in various financial disciplines, provided a comprehensive overview of investment strategies and financial planning.

The session began with an introduction to the basics of investing, including the importance of understanding different financial instruments and their associated risks. Mr. Kulkarni emphasized the significance of financial literacy in achieving personal financial goals and building a secure future.

Key topics covered during the briefing included:

Investment Strategies: Various strategies for investing in different financial instruments, including stocks, bonds, and mutual funds.

Risk Management: Understanding and managing the risks associated with different types of investments.

Portfolio Management: Techniques for building and managing a diversified investment portfolio.

Financial Planning: Importance of setting financial goals and planning investments to achieve these goals.

Market Analysis: Analyzing market trends and making informed investment decisions based on current financial data.

Mr. Kulkarni also shared his personal experiences and case studies to illustrate the practical applications of the concepts discussed. He provided valuable tips on how to analyze financial statements, assess market conditions, and make strategic investment decisions.

Learning Outcomes:

Enhanced Financial Literacy: Students gained a deeper understanding of various investment instruments and their risk management.

Strategic Planning: Improved ability to set financial goals and plan investments accordingly.

Informed Decision-Making: Acquired skills to analyze market trends and make informed investment decisions.

Portfolio Management: Learned techniques for building and managing a diversified investment portfolio.

Practical Insights: Benefited from real-life case studies and practical advice shared by an experienced industry expert.

Objectives of the Event:

- To address the burning issue climate change and to create awareness about climate conservation
- To understand the importance of water conservation.
- To learn the techniques of rain water harvesting.

Event Description:

Being ignorant is not so much a shame, as being unwilling to learn". Unawareness can be spared & worked upon but bewilderment towards the Environment can be fatal for the entire human race.

DIMR in association with 'Climate Collective Pune (CCP)' had organised a 'Climate Collective Outreach Event' on Sunday, 16th Dec 2018, in an endeavour to enhance the awareness about 'Environment Preservation and Climate Change Action' under the Climate Change initiative of the Pune International Centre (PIC).

The event was chaired by Prof. Amitav Mallik, Hon. Trustee, PIC. The speakers included Mr. Arvind Karandikar, Founder CEO, Nexus Energy who addressed the audience about the intimidating perils of alarming carbon emission and the importance of energy saving, conservation and adopting alternative energy options.

Mr. Ravindra Sinha, Co-founder of Mission Groundwater and Water Conservation Activist, spoke about how we need to be proactive in water preservation before it's too late. The measures we can take in our routine life to save and preserve water and if we carry on being negligent then no reservoir is enough to quench our thirst.

Learning Outcome:

- Students learned the importance of climate change and to create awareness about climate conservation.
- The session was helpful to create awareness about environment such as water conservation, rain water harvesting etc.

With over 16 years of experience in the education & training industry, Mr. Dey shared his expertise on the significance of effective communication and soft skills in the corporate world. During the lecture, Mr. Dey discussed various aspects of communication, including verbal and non-verbal communication, active listening, and interpersonal skills. He also highlighted the importance of soft skills such as teamwork, adaptability, and leadership in professional settings. The session included real-life examples and interactive discussions to illustrate key concepts and principles.

Learning Outcomes:

Enhanced Awareness:

Students gained a deeper understanding of the importance of communication and soft skills in the workplace.

Practical Insights:

Mr. Dey provided practical insights and strategies for improving communication and soft skills, empowering students to apply these principles in their academic and professional pursuits.

Interactive Engagement:

The interactive nature of the session allowed students to actively participate, ask questions, and seek clarification on topics related to communication and soft skills.

Industry Relevance:

Students gained valuable insights from an industry expert, bridging the gap between theoretical knowledge and practical application in the corporate sector.

Motivation to Improve:

The lecture inspired students to take proactive steps towards enhancing their communication and soft skills, recognizing the role these competencies play in their future career success.

Objectives of the Event:

- To equip students with essential skills and knowledge required for a successful transition from academia to the corporate environment.
- To provide practical insights and strategies for resume writing, group discussions, interview preparation, and professional etiquette.
- To empower students to confidently navigate the recruitment process and secure employment opportunities.

Event Description:

The session commenced with a warm welcome extended to Dr. Deepak Parbat and Mr. Rohan Rodrigues by the faculty and students of DIMR. Dr. Parbat and Mr. Rodrigues, with their diverse expertise as motivational speakers, career counselors, and life coaches, captivated the audience with their dynamic presentation style and engaging content.

The session covered a range of topics crucial for students' career advancement, including:

Resume Writing: Dr. Parbat emphasized the importance of crafting an effective resume as a marketing tool to showcase one's skills, experiences, and achievements.

Group Discussion Skills: Mr. Rodrigues provided insights into taking control of group discussion rounds and strategies for making a positive impression.

Importance of Manners: Dr. Parbat highlighted the significance of etiquette and body language in professional settings, emphasizing their impact on interpersonal communication and relationships.

Preparation for Interviews: Mr. Rodrigues outlined pre-preparation steps for successful interviews, including research on the company, self-assessment, and mock interviews.

Interview Techniques: Dr. Parbat elaborated on interview techniques and diplomacy skills essential for navigating the interview process and securing job offers.

The session was characterized by interactive discussions, role-playing exercises, and practical tips shared by the speakers. Students actively participated, asking questions and seeking clarification on various aspects of career development and professionalism.

Learning Outcome:

- Enhanced understanding of key components of the recruitment process, including resume writing, group discussions, and interviews.
- Acquisition of practical skills and strategies for presenting oneself effectively and professionally in job interviews and group settings.
- Empowerment to proactively prepare for the transition from campus to corporate life and pursue career opportunities with confidence and competence.

Objectives of the Event:

- To educate students on effective interview skills and techniques.
- To help students create a strong personal brand.
- To reduce students' fears and anxieties related to interviews.

Event Description:

On 15th September 2018, DIMR organized a guest lecture on "Interview Skills Techniques: An Open Discussion" for MBA students. The lecture was delivered by Mr. Abhijeet Parlikar, a Strategic HR professional with over 17 years of diverse experience in Organizational Growth, Culture Building, and Change Management. Mr. Parlikar has been associated with John Deere India Pvt Ltd for almost 11 years and currently holds the position of Sr. General Manager HR, IR, and Admin.

The lecture, held at the DIMR Seminar Hall at 3 PM, was highly engaging and informative. Mr. Parlikar began by discussing the importance of creating a strong personal brand and how it can influence interview outcomes. He shared various techniques and strategies to perform effectively in interviews, emphasizing the need for thorough preparation, clear communication, and confident presentation.

The session also included an open discussion where students had the opportunity to ask questions and share their concerns about the interview process. Mr. Parlikar provided practical advice on how to mitigate common fears and anxieties associated with interviews. His insights into the expectations of employers and the qualities they look for in candidates were particularly beneficial.

Learning Outcome:

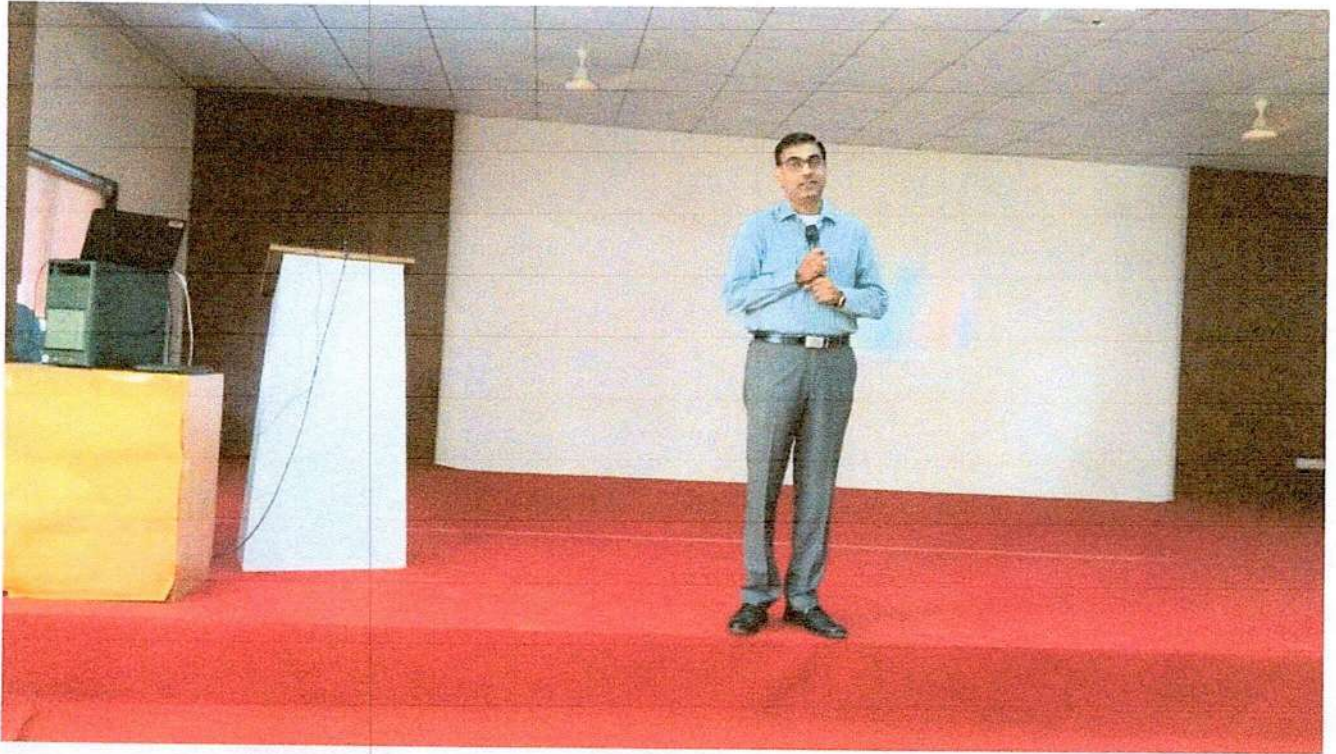

- Enhanced understanding of effective interview techniques.
- Greater confidence in building and presenting a personal brand.
- Practical strategies to reduce interview-related fears and anxieties.
- Direct insights from an experienced HR professional on what employers seek in candidates.

Objectives

- To provide students with an understanding of Lean Six Sigma methodologies.
- To demonstrate the importance of process optimization and quality management in industry.
- To equip students with valuable skills for their future careers.

Event Description

On 4th October 2018, DIMR organized a seminar on Lean Six Sigma to provide students with valuable insights into process optimization and quality management in industry. The seminar, held in the DIMR Seminar Hall, was conducted by Dr. Sateesh Chandra Joshi, an expert in Lean Six Sigma methodologies.

Dr. Joshi commenced the seminar by providing an overview of Lean Six Sigma and its significance in improving operational efficiency and reducing defects in processes. He explained the core principles and methodologies of Lean Six Sigma, including DMAIC (Define, Measure, Analyze, Improve, Control) and Lean manufacturing techniques.

Throughout the seminar, Dr. Joshi shared real-world examples and case studies to illustrate the application of Lean Six Sigma in various industries. He emphasized the importance of continuous improvement and data-driven decision-making in achieving organizational excellence.

The seminar also included interactive discussions and Q&A sessions, allowing students to clarify their doubts and deepen their understanding of Lean Six Sigma concepts.

Learning Outcomes

- Students gained a comprehensive understanding of Lean Six Sigma methodologies and their applications in industry.
- The seminar provided insights into the importance of process optimization and quality management for organizational success.
- Students learned practical skills and techniques for identifying and eliminating process inefficiencies and defects.
- The seminar equipped students with valuable knowledge and competencies that are highly sought after in the job market, enhancing their career prospects.

Objectives of the Event:

- To familiarize students with the expectations of industries from fresh graduates entering the workforce.
- To highlight the importance of soft skills and professional etiquette in the corporate environment.
- To empower students with knowledge and skills necessary for a successful transition from campus to corporate life.

Event Description:

The session commenced with a warm welcome extended to Mr. Gaurav Ambedkar by the faculty and students of DIMR. Mr. Ambedkar, with his extensive industry experience spanning over 20 years, shared his profound insights and practical wisdom with the attendees. He emphasized the significance of understanding industry dynamics, corporate culture, and employer expectations to thrive in the competitive job market.

Through engaging anecdotes and real-world examples, Mr. Ambedkar addressed various aspects of professional development, including communication skills, teamwork, adaptability, and leadership qualities. He underscored the importance of cultivating a growth mindset and continuously upgrading one's skills to stay relevant in today's dynamic business landscape.

Furthermore, Mr. Ambedkar provided valuable guidance on resume writing, interview preparation, and career planning strategies tailored to meet the evolving needs of the industry. The session concluded with an interactive Q&A session, allowing students to seek clarification on specific queries and gain deeper insights into industry expectations.

Learning Outcomes:

Enhanced understanding of the expectations and requirements of industries from fresh graduates.
Acquisition of essential soft skills and professional etiquettes necessary for success in the corporate environment.

Objectives of the Event:

- To educate students on the importance of the right attitude and skills in the corporate world.
- To help students identify and capitalize on their capabilities.

Event Description:

On 28th August 2018, DIMR organized a guest lecture on "Right Attitude & Skills Required by the Corporate World" for MBA students. The session was conducted by Mr. Gaurav Gore, one of the youngest motivational and inspirational speakers, along with his team. The event took place in the DIMR Seminar Hall.

Mr. Gaurav Gore and his team engaged the students in a series of exercises and activities designed to help them understand the importance of maintaining the right attitude while striving to give their best. The interactive session saw students participating enthusiastically, getting to their knees and to the floors, which symbolized staying grounded while reaching for success.

The various exercises and activities conducted during the session were instrumental in helping students identify the right attitude and skills required by the corporate world. Students gained a better understanding of their own capabilities and learned how to effectively capitalize on them to succeed in their careers.

Learning Outcome:

- Enhanced understanding of the right attitude and skills needed for the corporate world.
- Increased self-awareness of personal capabilities and how to utilize them.
- Practical insights from engaging exercises and activities.
