Objectives of the event:

- To learn the basics of insurance industry.
- To learn the various insurance types such as Travel Insurance, Health Insurance, Auto Insurance, Property Insurance, Crop Insurance and Insurance of Household items, ULIP based Insurance etc.
- To know the nature and operations of insurance industry in India.

Event description:

The Placement Cell of DIMR had organized a guest lecture for the students on the topic 'Overview of Insurance Industry' by Mr. Uttam Pawar.

The speaker highlighted the level of awareness of Insurance in India as compared to that in the countries in Europe and America. The Insurance Industry in India is still at a nascent stage, showing gradual growth and has a long way to go.

There are lot of career opportunities in the Insurance sector in terms of job as well as business prospects with tremendous market potential albeit an apprehensive mind-set of Indians towards the Insurance products as many Indians still feel that paying insurance premium is an unnecessary expense.

The speaker explained the types of Insurance like Travel Insurance, Health Insurance, Auto Insurance, Property Insurance, Crop Insurance and Insurance of Household items, ULIP based Insurance etc.

It was an informative and insightful session for the students with lot of takeaways in terms of learning about the Insurance sector.

Learning outcome:

- Students acquired a knowledge about various insurance types such as Travel Insurance, Health Insurance, Auto Insurance, Property Insurance, Crop Insurance and Insurance of Household items, ULIP based Insurance etc.
- Students also learnt nature and operations of insurance industry in India.

Objectives of the Event:

- To enhance students' knowledge and understanding of the capital market ecosystem.
- To familiarize participants with the functions and operations of the stock exchange.
- To instill awareness and confidence among students regarding investment opportunities in the capital market.

Event Description:

The session commenced with a warm welcome extended to all participants by the faculty members of DIMR. The event featured Ms. Srikantalahari Sagi, an esteemed industry expert, who shared her invaluable insights and expertise with the attendees. Ms. Sagi, with her extensive experience in the field, guided the participants through various aspects of the capital market, elucidating key concepts such as equity, bonds, derivatives, and the role of regulatory bodies in ensuring market integrity.

The interactive session provided a comprehensive overview of the functioning of the stock exchange, including trading mechanisms, market indices, and the significance of market participants such as investors, brokers, and regulators. Through real-world examples and case studies, Ms. Sagi facilitated a deeper understanding of investment strategies, risk management, and the importance of financial literacy in making informed investment decisions.

Learning Outcomes:

Enhanced understanding of the capital market ecosystem, including its components and functions. Familiarity with the operations of the stock exchange and the role of key stakeholders. Improved awareness and confidence among participants regarding investment opportunities and risk management strategies in the capital market.

Objectives:

- To provide MBA students with hands-on exposure to entrepreneurship.
- To facilitate learning about various facets of entrepreneurship including team formation, resource allocation, audience engagement, and competition.
- To foster a sense of entrepreneurial spirit and potential among the students.

Event Description:

The MBA students of DIMR organized an 'Entrepreneurial Bazaar' within the campus premises. The event aimed at providing practical experience in entrepreneurship to the students. Various activities were organized to simulate real-world entrepreneurial scenarios.

The event kicked off with the formation of teams, wherein students had to collaborate and form teams with shared goals and vision. This exercise emphasized the importance of teamwork in entrepreneurial endeavors.

Throughout the day, students engaged in activities such as selling mango juice, sandwiches, and Panipuri and chat. These activities required them to demonstrate skills in resource organization, allocation, and optimum utilization. Students learned the intricacies of managing resources efficiently to maximize profits.

Additionally, a 'Play Factory' was set up where students participated in various games such as bucket and coin, chair and ball, and hit the glass. These games encouraged strategic thinking, performance under pressure, and healthy competition among the participants. The event provided students with the opportunity to strategize, perform, counter, and compete with each other. Amidst the competitive spirit, students also shared moments of laughter and camaraderie, fostering a positive learning environment.

Learning Outcomes:

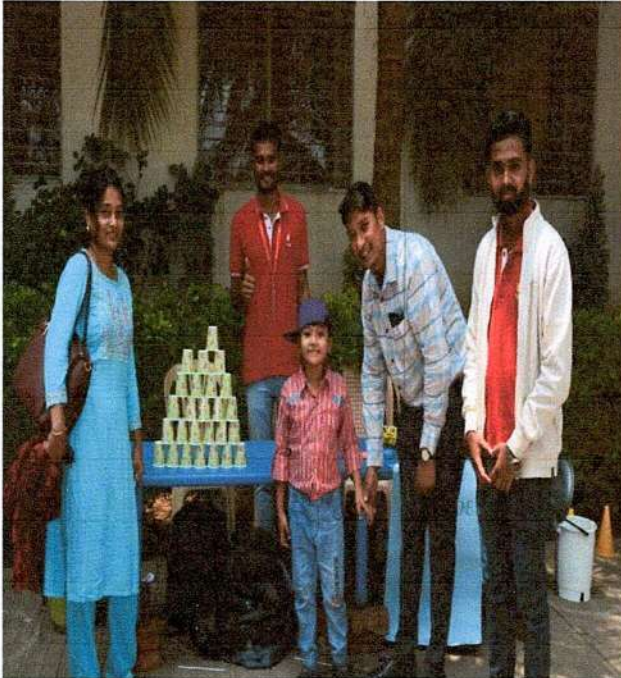

- The event successfully provided MBA students with practical exposure to entrepreneurship, allowing them to experience real-world scenarios.
- Students learned multiple facets of entrepreneurship including team formation, resource management, audience engagement, and competition.
- The event instilled a sense of entrepreneurial spirit and potential among the students, highlighting the limitless opportunities in the market for those willing to invest their efforts and skills into their dreams.

Objectives of the Event:

- To explore the therapeutic benefits of music in enhancing well-being and happiness.
- To impart life lessons on building relationships through the medium of music.
- To provide a relaxing and enriching experience for students and faculty members.

Event Description:

On 21st February 2022, DIMR students experienced an incredible session titled 'Tune into Happiness', a Music Therapy Session conducted by the renowned Music Therapist Dr. Santosh Borade. The session aimed to highlight the therapeutic benefits of music in fostering happiness and well-being, while also imparting valuable life lessons on building meaningful relationships.

Dr. Borade captivated the audience with heart-touching songs and profound insights on the importance of being grounded and reconnecting with one's roots. His engaging delivery and the soothing power of music created an atmosphere of tranquility and introspection in the auditorium.

The session was graced by the presence of Shri Ganpatrao Balwadkar, Chairman of Shri Khanderai Pratishthan, and Dr. Sajid Alvi, Director of DIMR, along with all faculty members. Their presence added to the significance of the event, underscoring the importance of holistic well-being in the educational environment.

The Music Therapy Session was thoroughly enjoyed by everyone present, as it provided not only a break from the usual academic routine but also a valuable opportunity to reflect on personal growth and emotional health.

Learning Outcome:

- Enhanced understanding of the therapeutic benefits of music.
- Valuable insights into building and nurturing relationships.
- Reinforced the importance of staying grounded and connected to one's roots.
- A memorable and relaxing experience that contributed to the overall well-being of students and faculty.

Objectives:

The objective of the guest lecture was to educate students on the importance of personal branding and to provide insights into the current demands of employers in the job market. The session aimed to help students understand how to position themselves effectively to potential employers.

Event Description:

On 6th January 2022, DIMR hosted a guest lecture titled "Brand – You," presented by Mr. Priyadareshee Pradhan. The event took place at 11 AM in the DIMR Seminar Hall. Mr. Pradhan delivered an engaging and informative talk focusing on several key aspects:

Employer Expectations: Mr. Pradhan discussed what employers are looking for in candidates, emphasizing the importance of relevant skills and attributes.

Skills in Demand: He highlighted the current skills that are highly sought after in the job market, advising students on areas to focus on for personal development.

Personal Branding: One of the main themes of his talk was the concept of personal branding. He advised students to shift their focus from merely acquiring knowledge ("What you know?") to building a network and reputation ("Who knows you?"). He provided practical tips on how students can enhance their visibility and credibility in their chosen fields.

Learning Outcome:

Students left the session with a better understanding of employer expectations and the skills they need to develop to be competitive in the job market. The lecture also emphasized the importance of personal branding and networking, encouraging students to actively work on building their professional identities. Mr. Pradhan's insights helped students recognize the value of standing out in the job market and the steps they need to take to achieve that.

Objectives of the Event:

- To provide MBA students with insights into leadership principles and strategies.
- To encourage students to embrace curiosity and step out of their comfort zones.
- To facilitate interactive learning experiences through group activities and sports-based sessions.

Event Description:

DIMR organized a workshop titled 'Leadership Thought Works,' conducted by Dr. Mohammed Bawaji, HR Strategist, Speaker, and Author. The workshop commenced with an engaging question posed by Dr. Bawaji, setting the tone for an interactive and insightful session. Dr. Bawaji's emphasis on the mutual learning process resonated with the students, fostering a collaborative learning environment. He stressed the importance of curiosity and encouraged students to break free from their comfort zones to achieve personal and professional growth.

The session was characterized by interactive discussions and group activities, providing students with practical insights and real-world applications of leadership principles. These activities served as eye-openers for the management students, offering them valuable lessons and perspectives on leadership dynamics.

The highlight of the workshop was the second session, which took place on the sports ground. Dr. Bawaji ingeniously incorporated games and sports activities to impart management and life lessons. The energy and enthusiasm exhibited during these sessions were palpable, creating an atmosphere of fun, camaraderie, and learning. The emotional depth experienced on the ground was captured vividly, highlighting the profound impact of experiential learning.

Learning Outcome:

- Enhanced understanding of leadership principles and strategies.
- Encouragement to embrace curiosity and explore beyond comfort zones.
- Practical application of leadership concepts through interactive group activities.
- Valuable insights and lessons learned from sports-based sessions.

Objectives:

Increase understanding of the challenges and opportunities presented by digital transformation for intellectual property rights (IPR). This could involve exploring how new technologies like AI, blockchain, and the Internet of Things (IoT) impact areas like patenting, copyright, and trademarking..

Create a platform for stakeholders, including businesses, legal professionals, and policymakers, to collaborate on developing solutions for managing IPR in the digital age. This might involve panel discussions or breakout sessions focused on specific digital transformation challenges and potential solutions.

Event Description:

DIMR hosted an event exploring the intersection of digital transformation and intellectual property rights (IPR). This event delve into how emerging technologies like AI, blockchain, and IoT are impacting how IPR is created, protected, and enforced. Attendees gained insights into the challenges and opportunities presented by this digitalization, along with strategies to navigate this evolving landscape.

Mr. Shashank Parab, explained about IPR in detail and types of IPR, here are some of the types-

Patents: Exclusive rights granted for an invention, preventing others from making, using, selling, or importing the invention for a limited period.

Copyrights: Protects original works of authorship such as literary works, musical compositions, artistic works, films, and computer programs.

Trademarks: Distinctive signs used to identify the source of goods or services.

Learning Outcomes:

The influence of artificial intelligence, blockchain, and the Internet of Things (IoT) on the creation, protection, and enforcement of IPR.

Strategies to navigate the evolving legal landscape of IPR in the digital world, equipping you to make informed decisions for your business or individual endeavors.

Event Description:

On 5th January 2022, DIMR hosted a guest lecture featuring Mr. Mangesh Wankhede, Founder of WAPARKING. The session began at 11 AM in the DIMR Seminar Hall. Mr. Wankhede captivated the audience with his compelling journey into entrepreneurship, detailing the challenges and triumphs he encountered along the way. Key points of his talk included:

Entrepreneurial Journey: Mr. Wankhede shared his experiences from the inception of WAPARKING, discussing the various stages of business development, from idea generation to execution and growth.

Importance of Mentorship: He emphasized the crucial role mentors play in guiding entrepreneurs through their journey, offering support, advice, and valuable insights. He shared personal anecdotes about how his mentors helped shape his path and contributed to his success.

Learning Outcome:

Students gained a deeper understanding of the entrepreneurial process and the significance of perseverance and innovation in overcoming obstacles. The lecture also underscored the importance of seeking mentorship, providing students with practical advice on how to find and work with mentors to enhance their professional and personal growth. Mr. Wankhede's insights and experiences served as a source of inspiration and motivation for aspiring entrepreneurs among the students.

Objectives

- To explore the concept of disruption in existing industries caused by technology and innovation.
- To understand the factors contributing to disruption and its impact on traditional business models.
- To provide insights into strategies for adapting to and leveraging disruptions for sustainable growth.

Event Description

On 6th January 2022, Mr. Philip Mothi, Founder of Leapfrog Consulting, delivered a thought-provoking lecture at the DIMR Seminar Hall on the topic 'Disruption to an Existing Industry due to Technology & Innovation'. The session aimed to elucidate how technological advancements and innovative practices are fundamentally changing traditional industries.

Mr. Mothi began by defining the concept of disruption and highlighting its significance in the context of technological innovation. He discussed real-world examples of industries that have been disrupted by advancements in technology, such as the transportation industry with the advent of ride-sharing services and the retail sector with the rise of e-commerce platforms.

Furthermore, Mr. Mothi delved into the underlying factors driving disruption, including changes in consumer behavior, advancements in digital technologies, and the emergence of agile startups. He emphasized the need for businesses to embrace innovation and adapt to evolving market dynamics to remain competitive in the face of disruption.

Learning Outcomes

- Students gained a deeper understanding of the concept of disruption and its implications for existing industries.
- The session provided insights into the factors contributing to disruption and the strategies employed by disruptors.
- Students learned about the importance of innovation and agility in responding to disruptions and staying ahead of the competition.
- The lecture encouraged students to think critically about the impact of technology on various industries and to identify opportunities for innovation and growth.

Objectives of the event:

- Application of Knowledge
- To give basic industrial & corporate knowledge

Event description:

Prof. Iftexhar Khan interacted with the students of DIMR on the topic SIP: The First Step towards Professional Path. A summer internship project is a valuable opportunity for students to gain practical experience and apply their academic knowledge in a real-world setting. Typically lasting between eight to twelve weeks, these projects are designed to provide hands-on involvement in specific tasks or projects within a company or organization.

Interns work under the guidance of experienced professionals, allowing them to develop industry-specific skills, enhance their resumes, and build a network of professional contacts. The experience often includes tackling challenges, contributing to meaningful projects, and gaining insights into the daily operations and culture of the workplace. Successful completion of a summer internship project not only bolsters a student's confidence and competence but also significantly improves their prospects for future employment in their chosen field.

Learning Outcome:

- Students got to know how to write a quality report.
