(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Objectives of the Event:

- To provide the opportunities for the aspiring students to showcase their skills and secure the jobs in the organizations.
- To identify talented and qualified intern from the pool of candidates
- To help in bridging the gap between industry and academics.

Event Description:

There is no dearth of opportunities if your approach is pragmatic & not distorted. It would be unfair and prejudiced if the virtuous are denied an opportunity without being tested. How would one learn if you won't keep the doors open and allow them to explore?

Keeping this in mind DIMR organized a Summer Internship Pool Campus Drive on 5th March 2020. 13 companies' participated in the drive; 296 MBA students from different management institutes from Pune & other cities registered and around 100 students got selected as interns. The drive was open for MBA /PGDM students from different universities and institute making it an inclusive platform. The candidates were able to interact with the representatives from various companies and gained valuable insights.

During the drive company representative delivered presentations about their organizations, highlighting their values and career opportunities. Following the presentations, the recruitment process commenced.

Learning Outcome:

- Participating companies are able to acquire the talent from pool of candidates.
- Students got career opportunity.
- Students got the opportunity of networking and professional development.

Objectives of the Event:

- To provide the opportunities for the aspiring students to showcase their skills and secure the jobs in the organizations.
- To identify talented and qualified candidate from the pool of students
- To help in bridging the gap between industry and academics.

Event Description:

A pool campus recruitment drive of HDFC Ergo Health Insurance was conducted by DIMR on 31st Jan. 2020.

Students from various institutes had participated for the recruitment drive. The event was hosted at DIMR SKP campus. Hosting and felicitation of the company delegates was followed by a presentation of the company. The company officials highlighted their values, work culture and career opportunities of their organization.

After the presentation the recruitment process began .The Company representative conducted an interview. Each candidate had the opportunity to showcase their skills to the employer. The company also provided feedback to the students about their strength and Weakness. The event also served as a networking opportunity to the students.

The whole recruitment drive process which started at 10:00 am went on very smoothly till 3.30 pm. The Pool Campus drive proved to be a win - win situation for both the candidates and the company.

Learning Outcome:

- Participating companies are able to acquire the talent from the pool of candidates.
- Students got career opportunity.
- Students got the opportunity of networking and professional developments.

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Objectives of the Event:

- To create the awareness among the students towards the importance of planting and saving trees
- To spread the message of environmental sustainability.
- To inculcate the environmental and social responsibility values among the students.

Event Description:

It's unfair that few would deteriorate and some are unfeigned & trying hard to bring out the reforms to ameliorate the things. Ultimately we all need a pleasant environment & pure air to breathe & live a healthy life. Whenever we get an opportunity to initiate or participate in a drive which would be remunerative to the society at large, we are always ready to embark. DIMR students volunteered in a 1000 tree plantation drive 'Greenathon' organised by L&T Infotech at Mhalunge.

Tree plantation is not just something that should be done once. Instead, it is a necessity, the urgent need of the hour. Planting trees is significant to protect our environment against air pollution and global warming. To this end, Budding managers of DIMR were actively involved in organizing tree plantation campaign.

Learning Outcome:

- Students were encouraged for proper maintenance and preservation of trees.
- Students were made aware to uplift the quality of the living environment through active planting and afforestation.
- Students were encouraged to save and plant more trees which will be inspiration for the coming generations.

Visit and Donation to Aniket Sevabhavi Sanstha

Event Type: Extension & Outreach Activity

Event Name: Visit, Donation and Diwali Celebration at Aniket Sevabhavi Sanstha

Day& Date: Thursday, 31st Oct. 2019

Felicitation and Appreciation of Ms Kalpana Varpe, Founder of Aniket Sevabhavi Santha

Objectives of the Event:

- To help differently abled children irrespective of cast or creed.
- To provide companionship, emotional support, therapeutic occupation, and recreational facilities, and activities to these children.
- To sensitize students to the difficulties and problems of differently abled children and to become aware of the joy of serving and being with these children

Event Description:

'Diwali' is a festival of light, happiness & prosperity. Is it the only prerogative of those who are blessed with the physical, human resources & could savour best of the things in presence of the loved ones? The staff & students of DIMR proved it otherwise & thought that this celebration should not be a sole privilege of the fortunate ones. We celebrated this Diwali with the orphaned, abandoned special & differently abled children of 'Aniket Sevabhavi Sanstha's', 'Om Shri Sai Residential Rehabilitation Centre for differently abled boys & girls', Bavdhan.

Our students decorated the place with rangoli, Diwali lanterns & balloons followed by a prayer to bring light & hope in everyone's life. The boys & girls of a wide age group of 4 to 42 left no stone unturned to match the dance steps on some groovy numbers with the students of DIMR. A girl who won a volleyball bronze medal at Special Olympics World Summer Games 2019 at Abudhabi & two boys who won gold & a silver medal in the State-Level Table Tennis competition at Mumbai shared their experiences with sheer confidence which was enough to inspire our students to aspire & do more with the given abilities. The children were ebullient while playing the games organised by our students. Some showcased their talent with the stellar performances.

The Diwali snacks and gifts shared with them along with some fireworks, worked wonders for those unadulterated souls, leaving their faces glow with happiness and the eyes sparkle with innocence. We all bought & pledged to light-up the beautiful 'Diyas' & 'Candles' made by these children, at our homes this Diwali. We left the premise reluctantly with positive energy & vibes, making many special friends & applauding the unabating spirit of Ms. Kalpana Warpe & her team for their relentless efforts and compassionate nurturing of these pure souls. We left...but with an unuttered promise to visit again.

Distribution of Maharashtra Assembly Elections Voter Slips

Event Type: Extension & Outreach Activity

Event Name: Distribution of Maharashtra Assembly Elections Voter Slips

Day & Date: Sunday, 20 October 2019

Venue: Baner

**SHRI KHANDERAI PRATISHTHAN'S
DNYANSAGAR INSTITUTE OF MANAGEMENT & RESEARCH**

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Objectives of the Event:

The primary objective of the event was to actively engage students of DACC (the institute's name) in the democratic process by participating in the distribution of voter slips for the Maharashtra Assembly Elections.

This initiative aimed to:

- Foster a sense of civic responsibility and participation among the student body.
- Educate students about the importance of voting and exercising their democratic rights.
- Contribute to the smooth conduct of the electoral process by assisting in the distribution of essential voting materials.

Event Description:

On the 20th of October 2019, students of DACC enthusiastically volunteered to participate in the distribution of voter slips for the upcoming Maharashtra Assembly Elections in the Baner area.

Under the guidance of faculty members and electoral officials, students were assigned designated areas within Baner to distribute voter slips door-to-door. Equipped with voter slip packets and informational pamphlets, the student volunteers navigated through the neighborhood, engaging with residents and providing them with their respective voter slips.

Throughout the duration of the event, students demonstrated remarkable dedication and diligence in carrying out their responsibilities. They engaged in meaningful interactions with community members, addressing any queries and concerns regarding the electoral process. Additionally, students actively promoted voter awareness by emphasizing the significance of voting in shaping the future of democracy.

Learning Outcome:

The participation of DACC students in the distribution of Maharashtra Assembly Elections voter slips yielded several valuable learning outcomes:

Civic Engagement:

By actively participating in the electoral process, students gained firsthand experience in civic engagement and community service. They recognized the importance of contributing to the democratic process and serving the greater good of society.

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Responsibility and Accountability:

Through their roles in distributing voter slips, students learned the importance of responsibility and accountability. They understood the significance of ensuring accurate and timely delivery of voting materials, thereby upholding the integrity of the electoral process.

Awareness and Education:

Engaging with residents during the distribution process allowed students to enhance their understanding of electoral procedures and voter rights. They acquired valuable knowledge about the electoral system and developed skills in effectively communicating voting-related information to diverse audiences.

Eco-Friendly Ganesh Festival Celebration

Event Type: Extension & Outreach Activity

Event Name: Eco-Friendly Ganesh Festival Celebration

Day & Date: September 2019

**SHRI KHANDERAI PRATISHTHAN'S
DNYANSAGAR INSTITUTE OF MANAGEMENT & RESEARCH**

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Objectives of the Event:

- To create awareness of celebration of festivals in eco-friendly way
- To raise knowledge of environment protection

Event Description:

Special way Ganeshotsav is celebrated at Shree Khanderao Pratishthan DIMR, Balewadi.

At the end of Ganeshotsav, we immerse the Ganesha idol, but the idol does not dissolve in the water, it becomes polluted and various remains of Ganesha can be seen on the banks of the river. Instead, while celebrating Ganeshotsav, keeping the feeling, devotion and faith towards Ganaraya, by placing various tree saplings, creating constructive Ganesh idols, under the initiative of protecting the environment, these saplings will be planted on the Tukai hill in Baner, with the help of Vasundhara Abhiman. Instead of plaster of Paris POP Ganesh idol, this Ganesh idol has been prepared by using small plants.

Thus a social message has been given by celebrating unique Ganeshotsav.

Learning Outcome:

- The students understood celebration of festivals in ecofriendly way

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Objectives of the Event:

- To rekindle the spirit of traditional games
- To raise knowledge of importance of Indigenous sport games

Event Description:

We are blessed as the technology today is at our beck and call; we can capture, enjoy & store almost each moment to treasure for a lifetime. We can watch any sporting activity or event happening at the farthest corner of the globe. But somewhere deep inside we all are sport to our almost passé sporting heritage & legacy our forefathers have left us behind. We still become nostalgic by recollecting those childhood memories of playing our hearts out with our friends with the unique, traditional games.

At DIMR, we took this opportunity to bask into the glory of our outmoded treasure. The students & staff of DIMR celebrated 'National Sports Day' in a quirky way by playing our forgotten games like Tyre Race, Lagori, Kho-Kho, Langdi, hopscotch, dodge ball and many more. The moments are surely going to be imprinted permanently on everyone's mind, not confined to the clutches of the camera clicks.

#Celebration #NationalSportsDay #TraditionalIndianGames #ChildhoodGames #MBADIMR

Learning Outcome:

- The cultural heritage promoted among the students.
- The students understood importance of strengthening the foundation values, health and socialization.

Objectives of the Event:

- To provide the help to the victims of the flood.
- To support them with the basic necessities for survival.

Event Description:

A flood relief collection drive was conducted at the University of Mumbai, Thane Sub Campus. The drive was conducted to provide material help and relief to the lakhs of people who have suffered due to the heavy floods in several areas such as Kolhapur, Sangali, Sindhudurg and other affected areas in Maharashtra.

Many students, faculty and staff came forward and donated a variety of materials including food grains and packaged food items, toiletries, stationery, medical items, clothes and bedsheets. All the contributed material was submitted to Rotract

Learning Outcome:

- Students understood the moral and social responsibility to help the needy people.
- Sense of responsibility and appreciation towards different sections of society inculcated among the students.

Workshop on Rain Water Harvesting

Event Name: Workshop on Rain Water Harvesting

Event Date: 5th July 2019

**SHRI KHANDERAI PRATISHTHAN'S
DNYANSAGAR INSTITUTE OF MANAGEMENT & RESEARCH**

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Dnyansagar Institute of Management & Research (DIMR) organized a comprehensive workshop on Rainwater Harvesting on 20th June 2019. The workshop aimed to raise awareness about the importance of rainwater harvesting techniques and their role in sustainable water management practices.

Objectives of the Event:

- To educate participants about the principles and benefits of rainwater harvesting.
- To highlight the significance of scientific groundwater recharge systems.
- To provide insights into the role of aquifers and natural water banks in replenishing groundwater.
- To empower participants with knowledge and skills to implement rainwater harvesting solutions effectively.

Event Description:

The International Yoga Day celebration commenced with a serene and tranquil atmosphere as participants gathered in the DIMR Seminar Hall. The event began with an opening address, highlighting the significance of yoga in promoting physical fitness, mental agility, and spiritual harmony.

The workshop commenced with an introduction by Mr. Sajid Alvi, Director of DIMR, who emphasized the importance of water conservation and the need for innovative solutions like rainwater harvesting. The session then proceeded with informative presentations by distinguished experts:

Mr. Shashank Deshpande:

Senior Geologist and Expert Hydrologist, shared insights on "Aquifers - Water Banks of Nature," discussing the geological aspects of groundwater storage and the importance of preserving aquifers for sustainable water supply.

Dr. Himanshu Kulkarni:

Founder & Executive Director of ACWADAM, enlightened participants on the "Importance of Scientific Groundwater Recharge Systems," emphasizing the need for scientific approaches to recharge groundwater and mitigate water scarcity.

The presentations were accompanied by detailed explanations and illustrations, providing participants with a comprehensive understanding of rainwater harvesting techniques, including rooftop rainwater harvesting, percolation pits, and recharge wells. Interactive discussions and Q&A sessions allowed participants to clarify their doubts and gain practical insights into implementing rainwater harvesting systems.

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)
(AISHE Code : C - 41293, PUN Code - IMMP014030)

Learning Outcome:

Participants gained a deeper understanding of the principles, techniques, and benefits of rainwater harvesting for sustainable water management.

The workshop provided insights into scientific groundwater recharge systems, empowering participants to contribute to groundwater replenishment efforts.

Attendees learned about the significance of aquifers as natural water storage reservoirs and the importance of preserving them for future generations.

Participants acquired practical knowledge and skills to design, implement, and maintain rainwater harvesting systems, enabling them to make a positive impact on water conservation efforts in their communities.
